PASTORAL CARE & BIBLICAL COUNSELLING

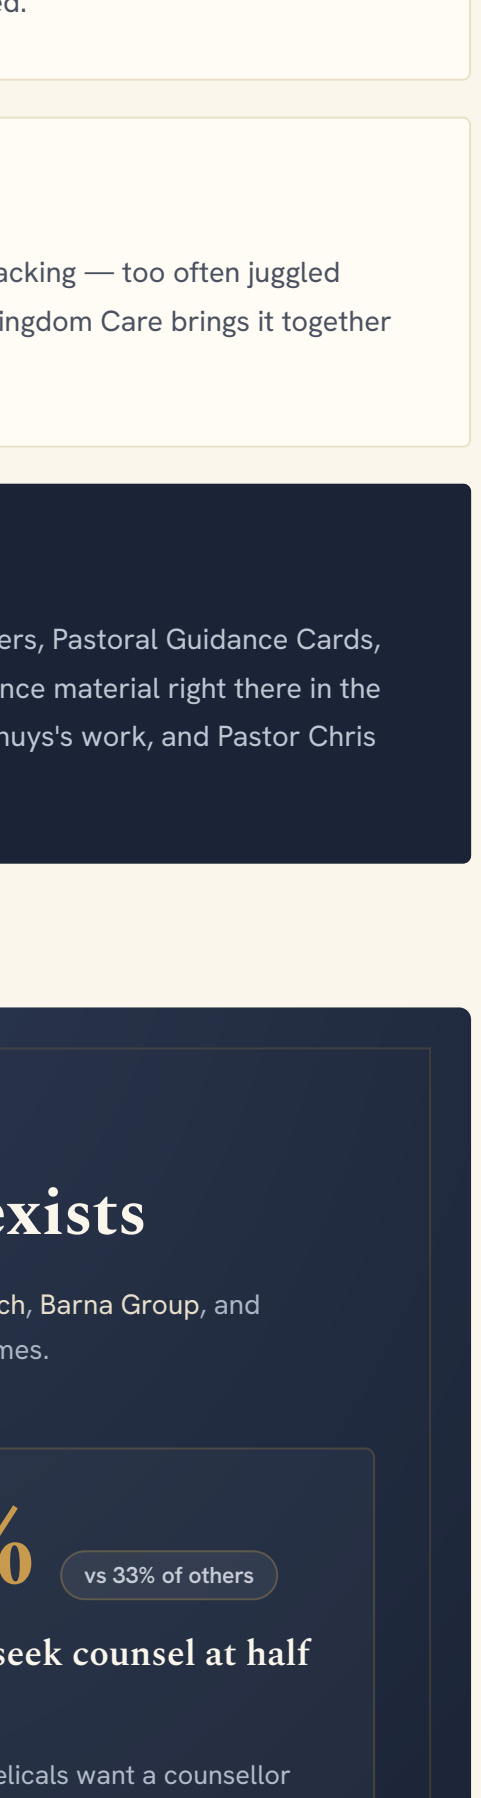

BUILT BY SOLOMON X

01

What Kingdom Care is

Kingdom Care is a mobile app for pastoral care and Biblical counselling. It exists to bridge the gap between believers who need pastoral support and the pastors and counsellors who can give it.

It is built by Solomon X as part of the Kingdom of Priests Network, and it is mobile-first — it works best when installed on your phone.

WHY THIS APP WAS BUILT

I Booking a pastor is hard

Pastors are busy. WhatsApp messages get lost. Lead times stretch from days into weeks. Kingdom Care shows a pastor or counsellor's actual availability — real time slots, real days they're open — and lets you book the next session in a few minutes.

II Sound counselling is hard to find

Counselling has become a generic word for many things, much of it drawn from secular psychology. Believers struggling with deeper issues — bondage, spiritual strongholds, generational patterns, deliverance — often don't know there's a category of counsellor equipped to help. This app puts them in one place, all verified.

III The work needs organising

Bookings, intake questionnaires, calendar sync, follow-up tracking — too often juggled across WhatsApp, paper diaries, and three different apps. Kingdom Care brings it together in one place.

IV The work itself is supported

A built-in Reference Library — Possible Spiritual Roots, Prayers, Pastoral Guidance Cards, House Cleaning, Five Areas of Control — gives sound reference material, right there in the session. Drawn from the Be in Health™ corpus, Tiaan Gildenhuys's work, and Pastor Chris van Niekerk's Biblical Counselling teaching.

Once verified, set up the four things that govern how believers find you and book you. Your home screen leads to your **dashboard** — today, this week, and quick access to everything below.

Even shepherds need a shepherd

At the bottom of your Bookings page, you'll always see a small card pointing you to find a counsellor for yourself. You can book sessions as a believer like everyone else — Kingdom Care doesn't draw a line between "counsellor" and "counsee", because the same person is so often both.

FOR YOUR OWN CARE

09

Find someone equipped to walk with you, and book in minutes.

Finding a counsellor or pastor

From your home page, tap **Find a counsellor or pastor** to see the directory of everyone verified.

- Verified** only shows just the verified ones (the default).
- Filter by church** to find counsellors from a specific ministry.
- Search by name** if you already know who you're looking for.

Each card shows their name, ministry, location, and the kinds of sessions they offer.

Booking a session

- Session type**
Some types require a questionnaire first — the card tells you.
- Pick a time**
Available slots appear day by day. Tap one to select.
- Your details**
Choose how to meet and leave a short note if needed.
- Confirm**
Review and send. They'll reply within a day or two.

A note about the Pre-Counselling Questionnaire

Some session types need it filled in before the counsellor sees you (you'll be prompted automatically). For general consultations they may ask you to complete it afterward, to prepare for next time. It's there to help them see you more clearly — not to make things harder.

11

Tracking your bookings

- Book a session**
Browse counsellors and pastors. Book another session.
- Awaiting confirmation**
After you send a request, it shows an amber pill — the counsellor hasn't decided yet.
- Your bookings**
Browse counsellors and pastors. Book another session.
- Confirmed**
Once they accept, the pill turns green — your session is locked in, with date, time, and how you're meeting. Tap any booking to see details, leave a message, or cancel.

A CLOSING WORD

"Herein is my Father glorified, that ye bear much fruit; so shall ye be my disciples."

— John 15:8 (KJV)

Whether you've come here to give care or to receive it, may Kingdom Care help you walk faithfully and bear much fruit.

Shalom Aleichem.
